BID CORRIGENDUM

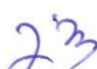

BID NO: [GEM/2026/B/7428735](#) dated 11.04.2026

Reg.: Reagent on rental basis for Fully Automated Biochemistry Analyzer.

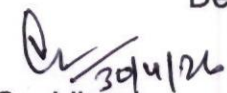

In the above Bid Number, followings contents of Bid supersede the existing content given in tender document. Prospective bidders are advised to bid as per revised terms as under:-

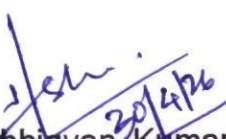

Sl.	Existing Specification/ Paras	Amended Specification/ Paras
1	The company shall supply the starter kits consisting of diagnostic kits, accessory reagents calibrators and controls for a period of one / two months along with the instrument.	List of investigations with approximate number of tests for two months is at Annexure A. The bidder can claim payment based on finalized L1 rate. Further, QC, calibrators (as per NABL standards) and one reagent kit of each investigation to be provided as FOC items at the time of installation.
2	Small sample volume <100 ul.	Sample volume. Small sample volume of <110ul.
3	Facility for detection of clot, bubble, viscosity and inadequate sample	Facility for detection of Clot, Bubble and Inadequate sample. Viscosity (Optional)
4	Bid End Date/Time 02-05-2026 12:00:00	Two weeks since the date of issuance of corrigendum.
Financial bid for Fully Automated Integrated Analyzer :		
Name of Investigation		
5	Troponin I	hs Troponin I/ hs Troponin T
6	CRP	CRP/hs CRP

All other terms and condition will remain same which published Bid. Bidders are requested to submit their bid as per revised terms and conditions.
